**Contract  
 Survey  
 Says...**

The membership surveys were tabulated, and these are the most important issues to you:

- Improve Cost of Living Adjustments (COLA) (95 % said this is important to essential)
- Improve pension/IAM 401K (95 % said this is important to essential)
- Job Security (95 % said this is important to essential)
- Substantial General Wage increases (93 % said this is important to essential)
- And your top issue is.....
- Improve Medical Coverage and maintain Current Healthcare Choices (96 % said this is important to essential)

All of these issues are important, and so is your participation. Please make plans to attend your Strike Sanction on June 18th, at 10:00 am.
