Make A Difference

Guide Dogs of America was founded over 60 years ago by Joseph Jones, Sr. with the help of the International Association of Machinists and Aerospace Workers.

Beginning in 1948 as International Guiding Eyes, Inc., Guides Dogs of America has never charged its students for their dog or the cost of their month long training stay at the schools' facility.

Through the generosity of individuals, foundations, corporations, and other organizations, Guide Dogs of America has fulfilled its mission of providing these loyal and loving dogs.

The IAM&AW continues to be a generous supporter of this great cause. Please join us in supporting Guide Dogs of America to continue providing the visually impaired with dogs that will provide trust, companionship, love, and freedom.
